Luna

🐱 Cat • Domestic Shorthair • 4 years old • SMALL • 3.8kg

"Luna is a calm, observant indoor cat who warms up quickly once she knows you. She loves sunbathing in windows, gentle pats, and quiet company. She is tidy with her litter tray, rarely vocal, and very respectful of furniture when her scratching posts are available. To specify good with calm kids."

Extra Notes for Carer

Please scoop the litter tray daily and refresh completely every 4–5 days. Luna appreciates a few high spots (cat tree, top of couch) where she can observe. Introduce yourself calmly and let her come to you; once she trusts you she enjoys chin scratches and will sit beside you on the couch.
